

CLARK-ESPOSITO LAW FIRM, P.C.

REGULATORY COMPLIANCE

IMPORTS | EXPORTS

Counseling companies on international trade laws, customs clearance, and export compliance measures to ensure business operations conform to import and export laws, the record keeping and disclosure requirements of US Customs, BIS, and OFAC, and anti-corruption/anti-bribery laws.

TRANSPORTATION | FREIGHT

Advising clients on global shipping, warehousing and other cargo related matters to ensure operational compliance with DOT, IATA, and FMC laws, and matters of national security.

FASHION

Providing legal advice and contract drafting for sales and supplier agreements, vendor oversight, production/supply chain management, and minimizing risks in global business, including protecting trade secrets and intellectual property.

VAPE | TOBACCO | HEMP

Helping clients navigate the regulatory framework of FDA, TTB and DEA requirements so that businesses can comply with their reporting requirements, operate lawfully in an ever-changing legal landscape, and be prepared for the inevitable government visit.
